**Accommodation :**

I propose three hotels :

**1 - Hotel Meninger Paris** (new hotel opened last weeks), clean and totally new, but closed to peripheral circle.

30mn far from Le Cnam, 15 mn far from the city center of Paris.

It is an excellent compromise between easy access to the heart of Paris (with the best line n°1 of the subway) and airports, with a good price.

Subway Station : « Porte de Vincennes » on line 1

37 Boulevard Carnot, 75012 Paris

<70€ night + breakfast

Or On booking : <https://www.booking.com/hotel/fr/meininger-paris-porte-de-vincennes.fr.html>

**2 – Ibis Styles Paris Nation Cours de Vincennes**

Closed to the Meninger hotel, (the rooms are more comfortable, more cosy, but more expensive)

Subway Station : « Porte de Vincennes » on line 1

**3 – Hôtel Le Ruisseau at Saint-Mandé**

Family hotel, with regular customers. Quite comfortable, but a bit holder.

Closed to the two first ones. Direct environment better than the Ibis Styles Paris Nation.

Subway Station : « St-mandé » on line 1

30mn far from Le Cnam, 15 mn far from the center of Paris.
